Verse 1:

Fsus2 **C**
I met a guy in the summer, and I left him in the spring
Gsus4 **Am**
He argued with me about everything
Fsus2 **C**
He had an ego and a temper, and a wandering eye
Gsus4 **Am**
He said he's six foot two, and I'm like, "Dude, nice try"
Fsus2 **C**
But he was so much fun, and he had such weird friends
Gsus4 **Am**
And he would take us out to parties, and the night would never end
Fsus2 **C**
Another song, another club, another bar, another dance
Gsus4 **Am**
And when he said, "Something wrong?", he'd just fly me to France
Fsus2 **C**
So I miss him some nights when I'm feelin' depressed
Gsus4 **Am**
'Til I remember every time he made a pass on my friend
Fsus2 **C**
Do I love him? Do I hate him? I guess it's up and down
Gsus4 **Am**
If I had to choose, I would say it right now

I wanna get him back
