

**I Bet You Think About Me (feat Chris Stapleton) (Taylor's Version) (from the Vault)  
by Taylor Swift**

**No Capo**

**Chords Needed:**

**C C/B Am Fsus2 Gsus4**

**Strumming:**

**DUDU DUDU**

**Verse 1:**

**C C/B Am Gsus4**  
3 AM and I'm still awake, I'll bet you're just fine  
**Fsus2 Gsus4**  
Fast asleep in your city that's better than mine  
**C C/B Am Gsus4**  
And the girl in your bed has a fine pedigree  
**Fsus2 Gsus4**  
And I'll bet your friends tell you she's better than me, huh

**Instrumental:**

**C C/B Am Gsus4 Fsus2 Gsus4**

**Verse 2:**

**C C/B Am Gsus4**  
Well, I tried to fit in with your upper-crust circles  
**Fsus2 Gsus4**  
Yeah, they let me sit in back when we were in love  
**C C/B Am Gsus4**  
Oh, they sit around talkin' about the meaning of life  
**Fsus2 Gsus4**  
And the book that just saved 'em that I hadn't heard of

**Chorus:**

**Fsus2 C**  
But now that we're done and it's over  
**Fsus2 C**  
I bet you couldn't believe

**Am** **Gsus4**  
When you realized I'm harder to forget than I was to leave  
**C C/B Am Gsus4 Fsus2 Gsus4**  
And I bet you think about me

**Verse 3:**

**C C/B Am Gsus4**  
You grew up in a silver-spoon gated community  
**Fsus2 Gsus4**  
Glamorous, shiny, bright Beverly Hills  
**C C/B Am Gsus4**  
I was raised on a farm, no, it wasn't a mansion  
**Fsus2 Gsus4**  
Just livin' room dancin' and kitchen table bills  
**C C/B Am Gsus4**  
But you know what they say, you can't help who you fall for  
**Fsus2 Gsus4**  
And you and I fell like an early spring snow  
**C C/B Am Gsus4**  
But reality crept in, you said we're too different  
**Fsus2 Gsus4**  
You laughed at my dreams, rolled your eyes at my jokes

**Chorus:**

**Fsus2 C**  
Mr. Superior Thinkin'  
**Fsus2 C**  
Do you have all the space that you need?  
**Am Gsus4**  
I don't have to be your shrink to know that you'll never be happy  
**C C/B Am Gsus4 Fsus2**  
And I bet you think about me

**Post-Chorus:**

**Gsus4 C C/B**  
I bet you think about me, yes  
**Am Gsus4 Fsus2 Gsus4**  
I bet you think about me

**Bridge:**

**Fsus2 C**

Oh, block it all out

**Gsus4**

The voices so loud, sayin'

**Am Gsus4 Fsus2**

"Why did you let her go?"

**C**

Does it make you feel sad

**Gsus4**

That the love that you're lookin' for

**Fsus2**

Is the love that you had?

**Verse 4:**

**C C/B Am Gsus4**

Now you're out in the world, searchin' for your soul

**Fsus2 Gsus4**

Scared not to be hip, scared to get old

**C C/B Am Gsus4**

Chasing make-believe status, last time you felt free

**Fsus2 Gsus4**

Was when none of that shit mattered 'cause you were with me

**Chorus:**

**Fsus2 C**

But now that we're done and it's over

**Fsus2 C**

I bet it's hard to believe

**Am Gsus4**

That it turned out I'm harder to forget than I was to leave

**C C/B Am Gsus4 Fsus2**

And, yeah, I bet you think about me

**Post-Chorus:**

**Gsus4 C C/B**

I bet you think about me, yes

**Am Gsus4 Fsus2**

I bet you think about me

**Outro:**

**Gsus4**                    **C**                    **C/B**

I bet you think about me when you're out

**Am**            **Gsus4**            **Fsus2**

At your cool indie music concerts every week

**Gsus4**                    **C**                    **C/B**

I bet you think about me in your house

**Am**            **Gsus4**            **Fsus2**

With your organic shoes and your million-dollar couch

**Gsus4**                    **C**                    **C/B**

I bet you think about me when you say

**Am**            **Gsus4**            **Fsus2**

"Oh my God, she's insane, she wrote a song about me"

**Gsus4**                    **C**

I bet you think about me
