I still remember the look on your face

Lit through the darkness at 1:58

The words that you whispered for just us to know

You told me you loved me so why did you go

Away?

Away...

Verse 2:

G

I do recall now the smell of the rain,

Em7

Fresh on the pavement, I ran off the plane

Cadd9

That July 9th, the beat of your heart

D/F#

It jumps through your shirt, I can still feel your arms

Chorus:

Cadd9

But now I'll go sit on the floor

Em7

Wearing your clothes

Cadd9

All that I know is I don't know

How to be something you miss

Your name forever the name on my lips

I do remember the swing in your step

Em7

The life of the party, you're showing off again

Cadd9

And I roll my eyes and then you pull me in

D/F#

I'm not much for dancin', but for you I did

G

Because I love your handshake, meetin' my father

Em7

I love how you walk with your hands in your pockets

Cadd9

How you kissed me when I was in the middle of sayin' something

D/F#

There's not a day I don't miss those rude interruptions

Cadd9

And I'll go sit on the floor

Em7

Wearing your clothes

Cadd9

All that I know is I don't know

D/F#

How to be something you miss

G

I never thought we'd have a last kiss

And something reminds you, you wish you had stayed

You can plan for a change in the weather and time
