Verse 1:

They tell you while you're young  
"Girls, go out and have your fun,"  
Then they hunt and slay the ones who actually do it  
Criticize the way you fly  
When you're soarin' through the sky  
Shoot you down, and then they sigh and say  
"She looks like she's been through it,"

Pre-Chorus:

Lord, what will become of me  
Once I've lost my novelty?

Chorus:

I've had too much to drink tonight  
And I know it's sad, but this is what I think about  
And I wake up in the middle of the night  
It's like I can feel time moving
